F4R™ Introduction	1
Chapter 1: Introduction Policies and Guiding Principles.....	7
Session 1: Welcome and Overview	7
Session 2a: Community Reports.....	27
Session 2b: Data Collection Training	35
Session 3: Systems Thinking & Network Analysis	49
Chapter 2: Personal FEW, Communication, and Identification of Critical Resources.....	65
Session 4: Tracking FEW Systems.....	65
Session 5: Communicating Science: Defining Resilience	87
Session 6: Critical Community Resources	99
Chapter 3: A 30,000 Foot View of U.S. FEW Mesoscale Supply Chain Data	111
Session 7: The U.S. Food System.....	111
Session 8: The U.S. Energy System	131
Session 9: The U.S. Water System.....	153
Session 10: FEW-View	173
Chapter 4: Preliminary Last Mile Supply Chain Analysis.....	189
Session 11a: Preliminary Analysis of Food	189
Session 11b: Preliminary Analysis of Food: Part 2	207
Session 12: Collaborative Work Session	221
Session 13: Preliminary Analysis by Sector.....	229
Session 14: Preliminary Analysis Presentations	241
Chapter 5: Identifying Community Applications	245
Session 15: Learning More About the Community	245
Session 16: Stage 2 Training: Community Engagement	255
Session 17: Emergency Management: Tabletop Exercise	271
Session 18: Emergency Management & Supply Chains.....	297
Session 19: Improving Organizational Capacity.....	323

Chapter 6: Analysis, Visualization, and Building Community Capacity	341
Session 20: Collaborative Work Session	341
Session 21: Stewardship Action Plans	345
Session 22: Communicating Science: FEW Metrics	351
Session 23: Why Mesoscale Data?.....	363
Session 24: Analysis Tools: FEW-View™ and Beyond	371
Chapter 7: Communications, Reports, and Presentations.....	399
Session 25: Lessons Learned	399
Session 26: Community Reports and Presentations.....	407
Appendix – Supply Chain Diagrams	413
Appendix – Chapter 1 Supplementary Materials.....	421
Appendix – Chapter 2 Supplementary Materials	439
Appendix – Chapter 3 Supplementary Materials	463
Appendix – Chapter 4 Supplementary Materials	471
Appendix – Chapter 5 Supplementary Materials	475
Appendix – Chapter 6 Supplementary Materials	499
Appendix – Chapter 7 Supplementary Materials	505
Appendix – References	509
